ABOUT US

Connecting Quality from India to the World

VR Meridian Trades is an India-based export company dedicated to connecting international buyers with quality products sourced through trusted partners across India.

We are committed to delivering **consistent quality, reliable service, and professional export solutions** tailored to the requirements of global customers. Our approach combines responsible sourcing, quality coordination, efficient export processes, and customer-focused service.

We believe successful international trade is built on **trust, transparency, consistency, and long-term relationships.** Our goal is to make sourcing from India simple, reliable, and valuable for buyers around the world.

OUR VISION

To become a trusted and recognized global export partner from India, known for quality, reliability, professionalism, and long-term international partnerships.

OUR MISSION

To maintain consistent quality and product specifications.

To provide professional, transparent, and dependable export services.

To understand and respond to the evolving requirements of international customers.

To build long-term relationships based on trust, reliability, and mutual growth.

To continuously expand our global presence and product portfolio.

Moisture	< 7%
Mesh Size	80–100 Mesh
Ash Content	< 8%
Foreign Matter	Absent
Salmonella	Absent
E. coli	Absent
Shelf Life	24 Months
Packaging	25 kg food-grade HDPE bags; Aluminium foil pouches; Paper bags; Customized packaging available
Country of Origin	India

LABORATORY REPORT

MORINGA POWDER

	SPECIFICATION	RESULT
Appearance:		
Description	Powder	Complies
Color	Green Color	Complies
Nutritional Values:		
CALCIUM	20 to 40 mg/gm	36.5 mg
CARBOHYDRATES	20 to 60 mg/gm	58 mg
CRUDE FIBRE	5 to 10 mg/gm	7.51 mg
ENERGY	250 to 350 kcal	340 kcal
FAT	3 to 7 mg/gm	3.2 mg
IRON Complex	200 to 500 ppm	473.67 ppm
MAGNESIUM	2100 to 5000 ppm	4554 ppm
MOISTURE	5 to 7 %	6.6 %
POTASSIUM	10000 to 20000 mg/kg	18260 mg
PROTEIN (N*6.25)	20 to 35 mg / gm	30 mg
Microbial Contains:		
Total Plate Count	4000 to 50000 Cfu/Gm	35000 cfg
Total Coliform (MPN)	< 100 MPN / gm	65 MPN
YEAST AND MOULD COUNT	<1000 Cfu/Gm	475 CFU
Safety:		
Mercury	Max 0.1 PPM	Complies
Cadmium	Max 0.1 PPM	Complies
Lead	Max 2 PPM	Complies

100% NATURAL

RICH IN NUTRIENTS
