

Viktor & K
PRIVATE ENTERPRISE
UKRAINE

According to Mr. Viktor M. Korol, the business owner and CEO, among the key objectives are continuous pursuance excellence in production, quality and business development.

A commercial producer of sunflower oil and mayonnaise since 2002, the company has grown several times its initial capacity and substantially expanded its product range. The company's assets include own silos in several Ukrainian regions, sunflower crushing plants, oil processing and filling facilities as well as mayonnaise, tomato products and mustard production sites, and even its own customs inspection area.

Our facilities and products

Sunflower oil

bottled and bulk

- refined deodorized
- unrefined cold-pressed
- unrefined chilled pressed
- unrefined non chilled

Soybean oil

bottled and bulk

- refined deodorized
- crude degummed

Mayonnaise sauces

- from high-fat to low-fat
- wide range of packaging options

Rapeseed oil factory building

Tomato and mustard products

- tomato paste
- tomato sauces
- ketchup
- mustard

International logistics

Our export geography

One of the largest producers of refined sunflower oil and sauces in Ukraine, Viktor & K (Vlasivka, Ukraine) exports its vegetable oils, mayonnaise, and tomato products to many countries in Europe, Asia, Africa, and North America. All international sales are subject to a direct contract between the exporting company and the foreign buyer.

On a daily basis, up to 60 shipping units (trucks or containers) of premium-quality food products as well as industrial goods leave the factory door, consigned to different parts of the world.
