04 — APPLICATIONS

Trusted Across 7+ Industries

Agarbatti (Incense)

80-90 mesh, best burning, holds fragrance

Mosquito Coil

Natural binder, slow & even burn

WPC Boards

Filler for wood-plastic composites

Paper Industry

Pulp additive & texture

MDF Production

Medium density fiber boards

Biomass Fuel

High calorific briquettes & pellets

Animal Bedding

Absorbent, dust-free bedding

Custom Mesh Available: We can sieve 30-150 mesh as per your application requirement. MOQ flexible for Karachi pickup.

05 — WHY CHOOSE US

Eco & Natural

100% natural wood waste, no chemicals, biodegradable and sustainable sourcing from timber offcuts.

AAA Grade Quality

Uniform mesh 30-150, dust-free, color sorted white to brown-yellow, 0.1% foreign matter max.

Low Moisture <13%

Kiln dried 4-12% ensures better combustion for agarbatti & high bonding for WPC/MDF.

Bulk Supply Karachi Based

Ready stock at PECHS, Karachi. 1 Ton to 100+ Tons monthly. Jumbo & 40KG PP packing.

Export-Ready Documentation

HS Code 4405.0000, CO, Packing List, Phytosanitary support for Middle East & Asia.
