About us

TBESFOOD: A Flavorful Journey in Seafood Excellence

Cooperation between TBESFOOD and QUAN NHUAN CO LTD

Welcome to TBESFOOD, where the ocean's bounty meets culinary delight!

Our Story

TBESFOOD is a proud member of TRAN THANH CO., LTD, a Vietnamese company with roots dating back to 1995. Our journey began in the lush coffee plantations, where we cultivated our passion for quality and excellence. In 2016, we expanded our horizons by venturing into the production of dried brewer yeast, proudly branded as TBESBY. But our appetite for growth didn't stop there.

Diving into the Deep Blue

Driven by our commitment to best value, we embarked on a new adventure: the world of seafood. Through strategic joint ventures with shrimp factories, we've mastered the art of sourcing, quality control, and production. Our team's expertise ensures that every morsel of seafood we offer meets the highest standards.

Global Reach

TBESFOOD isn't just about local flavors; we're a global player. Our products have graced tables across Europe, the U.S.A, the Middle East, and Asian countries. From succulent shrimp to delectable fish, we bring the ocean's treasures to your plate.
Join us on this flavorful voyage. TBESFOOD-where every bite tells a tale of quality, trust, and taste!

TBESFOOD understand clients requirement and their need, whosever they are, wherever they come from, we are able to o er them variety and quality product, customize their own order and for the most important thing: to be **YOUR TRUSTED PARTNER** in Vietnam. TBES always strive to create collaboration with mutual respect and value to strengthen the long-term capabilities with all stakeholders, hence, The slogan **"GROWN IN TRUST"** forming the foundation of all we do.

Core values

A modern seafood and aquaculture industry that is profitable, internationally competitive, sustainable and environmentally and socially responsible.

TBES Set our sights on the future, anticipating market needs and demands so we can steer our company toward long-term success.

To ensure highest food quality and value by constantly innovating and optimizing our processes. Delivering outstanding customer satisfaction
Working with business partners in sustainable relationships,
Protect and restore the Earth's natural systems and contributing positively to local Communities.
