ABOUT THE COMPANY

KUBER

—★ EXPORT HOUSE ★—

CRAFTED BY NATURE, DELIVERED BY EXPERTS

BUSINESS OVERVIEW

Kuber Export House is an Indian merchant export company specializing in the global supply of premium-quality Indian spices. We are committed to sourcing, processing, and exporting agricultural products that meet international quality standards while ensuring consistency, reliability, and customer satisfaction. Our strong network of trusted farmers, processors, and logistics partners enables us to deliver high-quality products to buyers worldwide.

BUSINESS MODEL

Kuber Export House operates on a Business-to-Business (B2B) export model. We procure premium-quality spices directly from reliable farmers, processors, and certified suppliers across India's leading spice-producing regions. Every batch undergoes strict quality checks before being processed, packed, and shipped according to the importing country's requirements.

We provide end-to-end export solutions, including sourcing, quality assurance, customized packaging, export documentation, and international logistics support.

QUALITY ASSURANCE

At Kuber Export House, quality is at the heart of everything we do. We follow a stringent quality control process at every stage – from sourcing to shipment – to ensure that our spices meet international standards and customer expectations.

OUR QUALITY CONTROL PROCESS

01

SUPPLIER VERIFICATION

- We work with a network of trusted and verified farmers, processors and suppliers.
- Regular evaluation based on quality, compliance, and ethical practices.
- Long-term relationships to ensure consistency and reliability.

02

QUALITY INSPECTION

- Raw materials are inspected on arrival for physical appearance, color, aroma and impurities.
- Random sampling as per AQL standards.
- Only material that meets our specifications is accepted.

03

CLEANING & GRADING

- The material is thoroughly cleaned to remove dust, stones, stems and other foreign matter.
- Sorted and graded manually and/or mechanically for uniform size, shape and quality.

04

MOISTURE CHECKS

- Moisture content is checked using calibrated moisture meters.
- Ensures longer shelf life, better quality retention and safe transportation.
- We maintain moisture within international standards.

05

PACKAGING INSPECTION

- We use high-quality, food-grade packaging materials.
- Each pack is checked for net weight, sealing, label accuracy and durability.
- Packaging is done to withstand long-distance transportation.

06

PRE-SHIPMENT CHECKS

- Final inspection before loading to ensure quality and quantity.
- Container stuffing supervised by our team.
- Seal, documentation and export compliance checked before dispatch.

Though we do not own a factory, our strong quality control system, trusted partners and experienced team ensure that every shipment reflects our commitment to premium quality and customer satisfaction.
