SHOPPING BAGS

ALL THE JUTE SHOPPING BAGS are manufactured using the best high grade fabric and also provide services of printing and embroidery on bags. We offer a wide range of ECO bags in standard as well as in customized options, all these bags are offered in natural and various color options.

JUTE BAGS are stitched into the required sizes and shapes processing through Lock Stitch, Hemming, Chain Stitch machines by skilled craft men. Various accessories are then added on like handles, zippers, buttons, buckles, straps etc. to give a perfect bag. All the jute bags can be customized on the parameters of size, cut, color, design, printing, handles(cane handles, webbed tape handles, cotton handles, fancy strings/ropes handles).

QUALITY CONTROL, INSPECTION & PACKING is done under very strict supervision at every stage by the trained personnel before packing in polythene bags. Bags are then packed into strong sea worthy card board cartons / bales as per customers required specifications. Special packing could be provided at extra costs applicable.

PRINTING: The bags are printed with silk screen method. The logo or design can be printed in multiple colors. The inks used are AZO FREE & HEAVY METALS FREE. Heat transfer and 4 colors process printing can also be done. Embroidering any logo or design is also possible and charges will be based on the size and design.

ADVERTISING: Logos printed on Jute bags are an effective form of advertising for private companies, supermarkets, government agencies, charities, educational institutions and independent retailers concerned about portraying a positive environmental message for world protection.

PRICES for selected bags will be offered upon enquiry request.
