ABOUT US

CONFIDE INDUSTRIES is a leading manufacturer and exporter of high-quality forged and precision-engineered components. With 16 years of manufacturing excellence, we supply reliable engineering products to customers across the automotive, railway, construction, agricultural, mining, oil & gas, and industrial equipment sectors.

COMPANY STRATEGY

1. Vision

Become a globally trusted manufacturer of high-quality forged components for the automotive, railway, agriculture, construction, oil & gas, and industrial sectors.

2. Strategic Pillars

A. Market Expansion

- Increase exports to Germany, the USA, Italy, France, the UAE, and other high-potential markets.
- Participate in international trade fairs.
- Build partnerships with OEMs and Tier-1 suppliers.
- Develop a strong distributor and agent network.

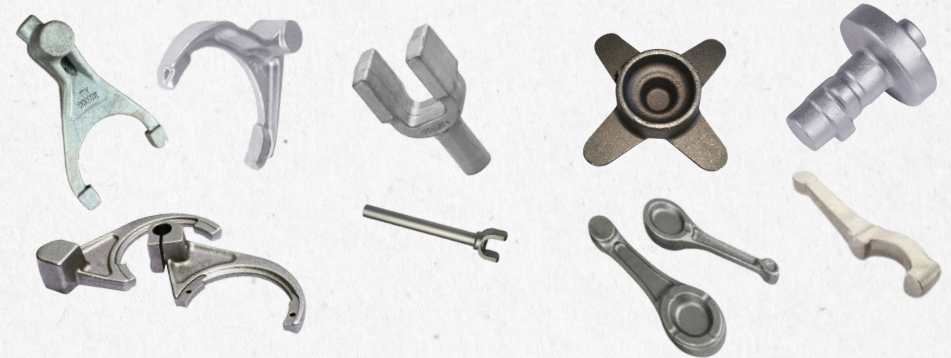

Target

- Export sales: 50–70% of total revenue
- Enter 2–3 new countries each year

MISSION

- To develop long-term business relations with its customers
- To grow steadily and becoming profitable gradually
- Poised to be Global Forging and Precision Machining Supplier & Manufacturer
