DRIED CATAPPA LEAVES

Quality • Export • Packaging • B2B Information

QUALITY & PRODUCT HANDLING

• Naturally dried Catappa leaves selected for aquarium applications.

• Focus on clean leaves, good leaf condition, low foreign matter and consistent supply.

• Quality specifications can be agreed with the buyer for regular B2B orders.

• Product samples or small trial shipments can be discussed before larger orders.

EXPORT DOCUMENTATION

Document	Availability / Arrangement
Commercial Invoice	Available
Packing List	Available
Certificate of Origin	Can be arranged according to shipment requirements
Phytosanitary Certificate	Subject to applicable export/import requirements and destination regulations
Other export documents	Can be discussed according to buyer and destination requirements

WORLDWIDE SHIPPING

We can discuss international shipping by suitable air or sea freight options depending on order quantity, destination and required delivery time.

Shipping quotation: Please provide your destination country, city/postcode and preferred order quantity so we can calculate the applicable shipping cost separately.

Shipping prices are not included in the wholesale product prices shown on page 1. Import duties, taxes and destination charges, where applicable, are the responsibility of the buyer unless otherwise agreed.

B2B COOPERATION

We are open to starting with a small trial order and developing a regular B2B supply relationship based on product quality, competitive pricing and reliable service. Customized packaging and private-label requirements can be discussed for suitable quantities.
