QSONS LEATHER

SMC-PVT

MANUFACTURER & EXPORTER

ABOUT US

Qsons Leather SMC-PVT is a Sialkot-based leather manufacturer and exporter with an in-house leather tannery, specializing in premium motorcycle leather wear. Established in 2010 (legacy since 1998), we produce high-quality motorcycle leather from raw hides to finished leather.

Our core expertise includes custom motorcycle racing suits, motorcycle gloves, motorcycle boots, riding jackets, and protective riding gear.

In addition to motorcycle wear, we also manufacture fashion leather jackets, boxing gear, bags, accessories, and other custom leather goods.

We work with premium cowhide, kangaroo, goat, sheep, buffalo, and upholstery leather, offering OEM & ODM manufacturing, private labeling, bulk production, and fully customized solutions.
