About us

Our Story

TBESBY is a proud member of TRAN THANH CO., LTD, a Vietnamese company with roots dating back to 1995. Our journey began in the lush coffee plantations, where we cultivated our passion for quality and excellence. In 2016, we expanded our horizons by venturing into the production of dried brewer yeast
-proudly branded as TBESBY -Which stands for **TBES Dried Brewer's Yeast**

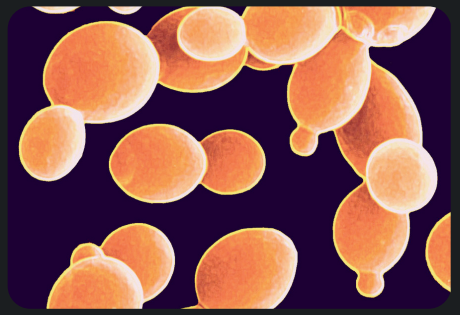

TBES Dried brewer's yeast is one of the most valuable natural ingredients used in animal feeding. It is rich in highly digestible proteins, amino acids, microelements, and vitamins. It is the optimal bacterial protein for livestock, poultry, and aquaculture.

Our commitment to innovation and sustainability has been the driving force behind our growth. By combining traditional methods with modern technology, we have been able to create products that not only meet high standards but also respect the environment.

Our story is still being written, and we invite you to be a part of it.

Core values

TBES driven by a core value is profitable, internationally competitive, sustainable and environmentally and socially responsible.

TBES set our sights on the future, anticipating market needs and demands so we can steer our company toward long-term success.

- To ensure highest food quality and value by constantly innovating and optimizing our processes.
- Delivering outstanding customer satisfaction
- Working with business partners in sustainable relationships,
- Protect and restore the Earth's natural systems and contributing positively to local communities.

E

Ensure

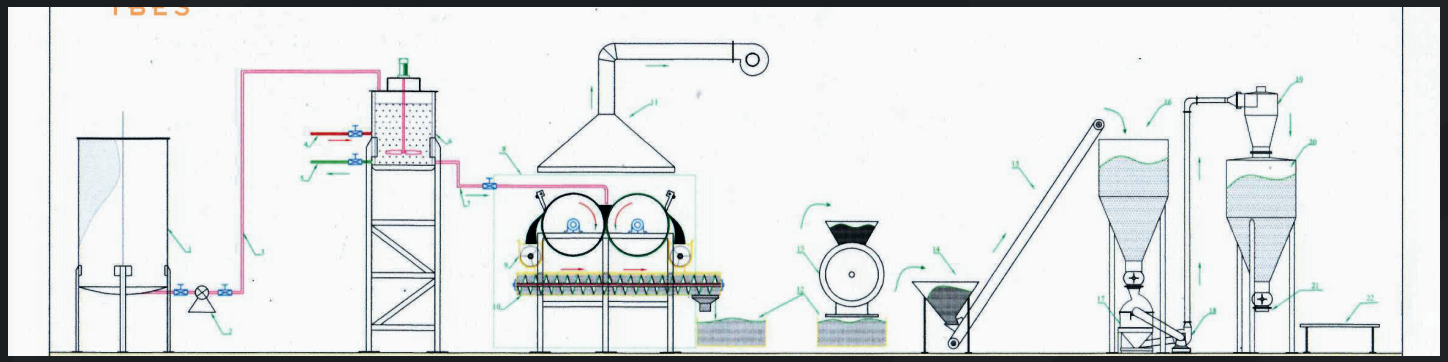

E: Ensure all goods are well controlled from selecting materials, processing and delivery.

S

Secure Save

S: Secure your deal. Save your money for every single business.

TBESBY Process flow diagram

Tbesby: Dried Brewer Yeast

We derive our dried brewer's yeast from the saccharomyces cerevisiae strain, extracted from a by-product of beer production called yeast slurry. Through our drum-dryer process, we transform the yeast slurry into golden particles of nutritional gold.

TBES 's Brewers Yeast Powder feature:

- High protein: almost 18 kinds of amino acids;
- 100% pure brewer's yeast as raw material;
- Contains nearly more than 50 kinds of nutrients,
- Contains high quality protein min 40% +/- 2

Brewer Yeast's advantages:
- Enhanced digestibility
- Increased consumption and assimilation of feed
- Improvement of immunological system
- Increase appetite.
- Enhance general health.
- Higher fertility ratios...
